Economics

5th and 6th Semester Syllabus for

BA in Economics

AS PER NEP -2020

With Effect from Academic Year 2023-24
Onwards

Bangalore University, Jnana Bharathi, Bengaluru

Dear Fellow Teacher

There are two models A1 and A3, out of which one has to be followed.

Economics as a Major Core Subject;

In case if, A1 is followed for fifth and sixth semesters, there will be one major core subject, in our case, it will be economics in the fifth and sixth semesters. In each of these semesters, there will be four discipline-specific (economics) compulsory papers which will be of four credits each, one discipline (economics) specific elective which will be of three credits, one Vocational paper in economics which is of three credits and one Skill Enhancement Course which is of two credits.

Two Major core Subjects with Economics as one of it;

In case if, A3 is followed there will be two major core subjects in third Semester, in our case, one will be economics in the fifth and sixth semesters and the other will be of their chosen choice say Political Science / History/ Sociology. In each of these semesters, there will be three discipline-specific papers each of four credits from the economics and other chosen subjects and one Skill Enhancement Course which is of two credits.

In view of enhancing the skills and employability of the students, every Module is given a practicum, kindly follow in to. Kindly see that students will get theoretical as well as practical knowledge of economics.

In the BU BOS (UG) Economics meeting held on 22-8-2023, taking cognise of the teacher's and student's request, as well as other universities syllabus in Karnataka, the BOS members unanimously opined that for BA Honours DSC-C6.1 and DSC-C6.2 papers should be given a choice so that students can choose one.

After deliberations, it was decided that DSC- C6.1 would be Mathematics for Economics and DSC-C6.2 would be Agriculture Economics, DSC-C8.1 would be Statistics for Economics, and DSC-C8.2 would be Monetary Economics so that students could opt for one of them each semester.

Despite this, teachers are requested to motivate the students to take Mathematics for Economics in the third Semester and Statistics for Economics in the fourth Semester.

- S.R.Keshava

Acknowledgement

The Chairperson and Members thank Honourable Vice-Chancellor Dr. Jayakar S M for the opportunity provided to serve in BOS and other officials of the University for providing the logistics.

INTRODUCTION:

Internship [Organizational work] is an integral part of the National Education policy- 2020. Its objective is to equip students with job skills and communication abilities, enabling them to bridge the gap between theoretical knowledge and practical application. The internship program incorporates various interventions that offer students exposure to real-life job experiences and expectations, empowering them with insights into the workings of different industries.

The internship is strategically positioned during the 6th semester of the Bachelors of Arts in Economics program. This timing provides students with a strong foundation in economics, enabling them to apply their knowledge in real-world settings. Additionally, the program caters to the critical need for teaching skills in economics and administration, enhancing the academic qualifications of students. Overall, the internship program aims to prepare students for the job market, thereby bridging the gap between academia and the professional world.

OBJECTIVES:

The objectives of conducting program are:

1. To boost students' employability by imparting soft skills that are essential in everyday life.
2. To enable students discover their professional strengths and weaknesses and align them with the changing economic environment.
3. To provide an opportunity for students to apply theoretical concepts and knowledge in real life situations at the work place.
4. To prepare students to understand organization culture and familiarize them with the organization needs.

5. To enable students to manage resources, meet deadlines, identify and undertake specific goal-oriented tasks.
6. To sharpen domain knowledge and provide core competency skills.

Internship Requirements & General Guidelines:

A. Nature of internship project work:

1. Every Student is required to work in an organization (a firm, self- help groups/cooperatives/farms or any rural economy components) for at least two months as part of Internship.
2. The student shall identify an internship work place.
3. Maximum five students of the same department from a College/University shall work for Internship in the same organization.
4. Internship work may be to carry out Professional work.
5. The internship shall be paid or unpaid.
6. While, working from the organizational premises is encouraged, in certain cases, virtual internship shall be considered.

B. Duration of Internship:

1. The Internship works shall be for a period of TWO months [Sixty Days].
2. The internship commence from the first day of the sixth semester.
3. Student is expected to carry out his/her Internship works during the first FIVE days of the week, and shall report to the department on a weekly basis.
4. The duration of the work shall be specified by the organization at the beginning of the program and the number of hours spent shall be in line with the prevailing rules.

C. Guide and Mentor:

1. An internal mentor shall be assigned by the University/College for the smooth conduct and supervision of the internship program.

2. The internal mentor shall provide guidance students in securing internship and to monitor the progress.

D. Protocol of the Internship work:

1. The head of the institution shall issue an internship work authorization letter during the 5th semester to the College or Organization where student is expected to join the internship work.
2. Student is expected to take up the preliminary work such as identifying the organization and engaging in securing an offer from an organization
3. During the 5th semester, students who secured an offer must get consent offer signed by the principal/head to carry out internship.
4. Student must submit the joining report with the date of joining for internship to the department head through internal mentor.
5. In case of professional work, the student is expected to be regular in performing his/her duties/tasks assigned to him/her by the Organization.

E. Evaluation:

1. All the students should obtain a certificate of internship from the workplace. This certificate shall mention the name of the candidate, the organizations name and duration of work. A letter describing the work of the candidate is desirable. The certificate shall be submitted to the department head.
2. The performance of a candidate shall be assessed for maximum of 100 marks.
3. The assessment methods shall be decided by the Universities based on the existing conventions.
4. The assessment method shall consist of an internship report submitted by the students based on the work experience and a viva-voce/presentation.
5. **Viva-voce/Presentation:** There shall be a viva-voce examination will be conducted for by the department where each student is expected to give a presentation and submit necessary documents.
